Horizon Hires David Simpson as Consultant

(San Diego, CA) – Horizon Information Systems has hired David Simpson as a software support consultant. Simpson will focus on supporting customers on Sage Accpac systems, a leading line of accounting software.

“David Simpson brings a wide range of strengths to this position, and will provide important insights for our clients,” said Ken Adams, president of Horizon Information Systems, Inc. “He shares our dedication to partnering with clients – learning about their business needs and putting them first, so that we become almost like an off-site member of their own staff. We are very fortunate to have him on board.”

Previously, David Simpson spent five years as a Certified ACCPAC Consultant on both East and West Coasts with various Premier Sage Accpac dealerships. He earned his CPA within Big Four Public Accounting, has been a CPA and consultant with Deloitte, chief financial officer (CFO) of a firm, and a mortgage banking consultant. He earned an MBA in finance and information systems, and a BA in accounting, both from Indiana University.

Horizon Information Systems, Inc., has been in business for 18 years, providing software consulting services to clients throughout Southern California. A certified Sage Accpac Business Partner, the company specializes in helping businesses maximize their investment in accounting software. Clients include industry leaders including College Loan Corporation and St. Vincent de Paul. The company received the prestigious Sage Accpac Premier Dealer Award three years in a row.

Horizon Information Systems, Inc., is located at 1080 Camino del Rio South, Suite 220, San Diego, CA 92108, (619) 718-7060, www.horizoninfo.com.
