### **Horizon Named ACCPAC Premier Dealer Three Years in a Row Places Horizon in Top Worldwide**

(San Diego, CA) – Horizon Information Systems has earned the prestigious rank of ACCPAC Premier Dealer for the third time in a row. The honor is granted to ACCPAC Solution Providers who exhibit extraordinary sales leadership, and who fully support ACCPAC financial and accounting software products. Very few of the 5,000 dealers around the world become Premier Dealers.

“We are extremely proud of receiving this distinction from an international manufacturer like ACCPAC,” said Ken Adams, president of Horizon Information Systems, Inc. “Being a Premier Dealer serves as a wonderful testimonial to present and future clients that we deliver the highest quality of service and value. Selecting a software consultant can be a difficult task. This award provides a powerful external validation that we deserve our clients’ trust and continued business.”

Horizon Information Systems, Inc., has been in business for 17 years, providing software consulting services to clients throughout Southern California. An ACCPAC Certified Consultant, the company specializes in helping businesses maximize their investment in accounting software. Clients include industry leaders such as College Loan Corporation and St. Vincent de Paul.

ACCPAC is a suite of accounting modules designed for small and mid-size businesses (SMBs). Its advanced accounting functionality makes it ideal for businesses that operate on a local, national, or international scale. ACCPAC Advantage Series has been taught by CGA Canada in its accreditation program for accounting students internationally, and has been a core element of advanced accounting curricula in educational institutes around the world. ACCPAC Advantage Series has earned the highest rating (5 Stars) from the *CPA Software News* (now known as *CPA Technology Advisor*) annually since 1999, and has been the recipient of numerous international awards.
